DEDUCTIBLE CLAUSE（C）

The deductible or equivalent in any other currency listed in the policy schedule will apply on each and every loss or series of losses arising out of the same event.

But in respect of claims recoverable under the:

Goods Carried Under Temperature Controlled Conditions Clause (A) – the deductible listed in the policy schedule or equivalent in any other currency on each and every loss or series of losses arising from the same event

Goods Carried Under Temperature Controlled Conditions Clause (B) – the deductible listed in the policy schedule or equivalent in any other currency, on each and every loss arising from the same event

In the event of a claim being recoverable under both (A) and (B) above, the lesser of the two deductibles shall apply.

In respect of all sendings of liquids in barrels, cask, kegs or similar containers:-

Claims for leakage or shortage shall be payable only in excess of one per cent (1%) per barrel, cask, keg or similar container but subject to a minimum loss amount listed in the policy schedule .

The above deductibles are not applicable to General Average, Salvage or Sue and Labour Charges.
