SEALS INTACT CLAUSE

(Applies only to the original intact containers sealed containerized cargo)

Claims in respect of shortage and/or non delivery of all or part of the consignment shipped in a container will not be invalidated should the original container seal(s) appear intact.

Documentary evidence must be produced to substantiate the quantity loaded into the container. The production of such documents and discharge tally sheets and/or Claused delivery notes shall be sufficient evidence of a shortage or non delivery.

The insured agrees to assist the company in the enforcement of rights against the supplier and/or third parties.
