GOODS PURCHASED BY THE ASSURED CLAUSE

In respect of goods purchased by the Assured, cover under this policy attaches from the time goods leave the Suppliers' factory, Warehouse, Store or Mill as if the Contract of Sale was "ex Suppliers' premises" notwithstanding that the goods or interest may have been purchased on FOB, CFR, FCA, Ex Works or similar terms.

Underwriters are to be subrogated to the Assured's rights of recourse against the Suppliers or other parties.
