

TRANSIT CLAUSE FOR CHEMICAL IN BULK

It is hereby understood and agreed:

- (1) That the shore tank facilities (including the shore pipe line) at the port of loading &/or unloading shall be construed as the warehouse or the place of storage stipulated in Clause 8 of Institute Cargo Clauses (B), and
- (2) That is insurance attaches and continues subject to the Warehouse and Warehouse Clause incorporated in Clause 8 of Institute Cargo Clauses (B) and terminates at each and every instant when the respective part of the goods is discharged into the above-mentioned shore tank facilities at the port of unloading named in the policy.
