

EXPEDITING COST(A)

Where there is loss, damage, general average, salvage and/or special charges which are, or will be, the subject of a claim under this policy, and The Insured considers it necessary to forward replacements and/or replacement parts by means other than the means by which the original shipment was dispatched, This Insurer will pay the reasonable expediting costs so involved in addition to the underlying claim.

The charges recoverable under this clause shall not exceed the amount listed in the policy, and shall not be separate from any other limit(s) of liability set forth in this policy.
