

## LETTER OF CREDIT

1. Permission is also granted to The Insured to attach the London Institute Cargo Clauses and War, Strikes, Riots and Civil Commotions Clauses or other London or American Institute Clauses to special policies and/or certificates of insurance where such clauses are required by the terms of sale, letter of credit or other banking requirements. When such an attachment is made, the attached clauses will be deemed to be added to this policy. If, by the deemed addition of such clauses to this policy, an inconsistency is created between or among a term, condition or warranty in the deemed added clauses and a term, condition or warranty set forth in this policy, then the term, condition or warranty that will result in the maximum scope of coverage shall override and control to the extent of the inconsistency.

**2. Notwithstanding anything contained in 1, it is hereby understood and agreed that, if the terms and conditions of such attached clauses provide broader coverage than those in this policy, The Insured must report prior to shipment and agree that This Insurer is entitled to amend such clause &/or additional premium.**
