

SPECIAL CLAUSE FOR DELAY

This insurance covers the following loss or damage to the goods and/or expenses in case that arrival of cargo to the destination is delayed more than the period listed in the policy from expected arrival time due to stranding, fire, collision, or general average.

1. Loss of or damage by the depreciation in value after reselling. In no case, however, shall this Company's liability for the above charges exceed the amount listed in the policy.

2. Airfreight including incidental charges for supplying the substitutes and/or part(s) by air to meet a deadline. In no case, however, shall this Company's liability for the above charges exceed the amount listed in the policy.

This special clause is not applicable in case of delay less than the period listed in the policy.
