SPECIAL TERMINATION CLAUSE FOR SHIPMENTS TO IRAQ

Notwithstanding (c) "Voyage" stipulated in General Provisions attached to this Open Policy, the insurance under this Open Policy for goods exported to Iraq shall terminate upon the discharge from the ocean vessel or the aircraft at an airport or a port in Iraq, or in case of any ground transportation, at the time of crossing the border with Iraq unless otherwise agreed by the Insurer prior to the attachment of the risks.

In addition to the above, United Nations Development Programme (UNDP) and/or Interim Iraqi Government (IIG) and/or Iraqi Council approval on the shipment is warranted by the assured.
