

SPECIAL TEMPERATURE CONTROLLED CARGO CLAUSE

Notwithstanding anything to the contrary contained herein [particularly Clause 5 of the Institute Cargo Clauses (All Risks)], it is understood and agreed that this insurance is extended to cover loss of, deterioration of or damage to the goods insured resulting from any variation in temperature howsoever caused during the currency of the insurance.

PROVIDED ALWAYS THAT:

The goods are in sound condition and properly prepared, packed and temperature-controlled at the time of attachment of the insurance.

The Assured shall take all precautions to ensure that the goods are kept in temperature controlled or insulated space during the currency of the policy except during actual loading or unloading operations.

On discovery by the Assured, his servants or agents of any loss of, deterioration of or damage to any part of the goods, immediate notice shall be given to this Company.
