

CONCEALED DAMAGE (D)

With respect to goods and/or merchandise and/or property insured under this policy which are unloaded and received into the custody and control of the receiver at the warehouse, store or other location at destination ("date of receipt"), but are not immediately unpacked, then any damage to the goods and/or merchandise and/or property not discovered until they are unpacked shall, in the absence of proof to the contrary and provided they are unpacked within the period listed in the policy after the date of receipt, be deemed to have occurred during the period of coverage under this policy.

If damage is discovered after the above mentioned period, but the damage occurred during the period of coverage under this policy, the burden to show when the damage occurred shall revert to The Insured.

Nothing contained in this Clause shall be construed to limit or reduce the coverage provided in this policy.
