

Special Clause for Clearance of Debris and Expediting Cost(B)

Notwithstanding anything contained herein to the contrary, it is specially understood and agreed, in the event of loss of or damage to the insured interest caused by a peril insured against, this insurance shall cover the following costs and/or charges incurred by the Insured.

1. Clearance of debris and disposal, including packing materials
2. Extra charges for overtime, night work, work on public holidays, in connection with repair, replacement or restoration of the insured interest

In no case, however, shall the Insurer be liable for more than the amount listed in the policy (or equivalent to in other currencies)

Nothing the above, the Insurer shall not be liable to pay the cost and/or charges incurred by the Insured to accomplish such removal or disposal in case the Insured is responsible for such removal or disposal under any pollution statute.
