DEBRIS REMOVAL (D)

This insurance also covers expenses incurred by The Insured to remove and dispose of any remainder or residue of the insured goods and/or merchandise and/or property, including packing materials, which may be occasioned by a loss or damage caused by any of the risks insured against.

This insurance will pay debris removal expense subject to the limit of liability set forth under the clause, however, **This Insurer shall not be liable under this Clause for more than 20% of the policy limit of liability set forth in this policy.**

Nothing in this Clause, however, shall be construed to extend cover to include any expenses incurred by The Insured to remove or dispose of the remainder or residue of the insured goods and/or merchandise and/or property if The Insured is responsible for such removal or disposal under any pollution statute. Expenses incurred by The Insured to accomplish such removal or disposal are not covered under this policy.
