

SPECIAL NON-DELIVERY CLAUSE FOR CONTAINERIZED

CARGO (B)

In consideration of an additional premium as arranged, it is hereby understood and agreed that this policy is also to cover the risks of missing and non-delivery of the goods carried by container(s), whether the seal of container is kept intact or not upon devanning of the goods hereby insured at the place of destination named in the policy.

Such missing and non-delivery aforementioned shall be ascertained by comparison of the number of the goods thereof shown in the shipper's &/or supplier's invoice &/or packing list with those duly evidenced at the time of devanning at the port of discharge or at the consignee's warehouse named in the policy.

Claims against such risks, if any shall be payable hereunder only if and to the extent that the assured fails to recover the said losses from shipper(s), packer(s), consolidator(s), carrier(s), &/or the other party(ies).
